A photograph showing the lower legs and feet of a person standing on a rocky, pebbly shore. The person is looking out over a calm body of water towards a bright sun on the horizon, which creates a lens flare effect. The sky is filled with soft, white clouds.

Resurrection Sunday
“The Voice of Life”

A dramatic scene viewed through a large, irregular opening in a dark, textured rock formation. The opening frames a landscape where three crosses stand on a hill in the distance. A bright sun is positioned behind the crosses, creating a strong backlight and lens flare. The sky is a pale, hazy yellow.
